This is the story of a year—a record of student life, faces, and activities at *your* school—John M. Morehead High School. The 1959-60 year has been a great one for us, and we, the members of the Annual Staff, have tried to capture and contain the memories we thought would be fondest to *you*, the students pictured at the right, for without your great successes and achievements our annual would be only blank pages. For the seniors, the first class to finish an entire school career at Morehead High School, our days are growing shorter and soon all our good times will be only memories presented in this annual. We hope that something in this annual has important significance to each and every one and we would like to thank you, the student body, for making this Morehead's greatest year and we sincerely hope you can continue to improve and make it even greater.

Dedicated To

Mr. Honeycutt keeps his students busy as they review U. S. History.

We, the Senior Class of John Motley Morehead High School, proudly dedicate the 1960 CARILLON to the teacher whose leadership, guidance, and friendship have brought honor to our school, training to our minds, and inspiration to our lives. He has, through his inimitable way won our hearts and our heartfelt gratitude. He is our football coach and history teacher, Mr. J. C. Honeycutt.

schools serve them? and Saturday, November 14, The Voter: How Does He Make His Decisions On Education? were the daily themes presented during this week.

Locally, National Education Week was celebrated by the businessmen and teachers of the community with a luncheon at the Meadow Green Country Club, and later the teachers were taken on specially conducted tours throughout the businesses and industries of the Tri-Cities.

During the luncheon, the teachers and businessmen heard talks by Harold Whitcomb, President of Fieldcrest Mills, and John Hough, Superintendent of Leakeville Township schools. Mr. Whitcomb told the group that industry was very much interested in education and that they were ready to contribute money for its upkeep and improvement. Mr. Whitcomb also complimented the teachers on a job well done and emphasized that we had one of the best school systems locally to be found in the state. In his remarks to the businessmen, Mr. Hough related the current needs of the schools and praised these number one citizens for their support in the past. "A major weakness," said Mr. Hough, "is the lack of funds to carry on an adequate guidance program in the system."

The entire program was sponsored by the Tri-City Chamber of Commerce, and was the first in what is to be an annual event.

Adult English Classes Underway

An English course with the title "Technical Report Writing," is now under way at the Industrial Education Center. Under the direction of Mr. Raleigh Biggerstaff, Morehead English teacher, this course meets from 7 to 9 p. m. each Tuesday.

A thorough review of English grammar, and discussions on common English errors have proved helpful and informative. Individual writing experiences are assigned so that each person can feel growth according to his own background and need.

More and more adult education is being offered at Morehead High School. As the interest and needs arise more adult classes will be offered. At present, in addition to the Adult English classes, classes are being held for adults in elementary typing, taught by Mrs. Joan City, Electronics, taught by Mr. Merrill Snyder, Drafting, taught by Roger Worthington, and an adult class in sewing machine maintenance, sponsored by Fieldcrest Mills.

Thanksgiving Around The Corner

By KAREN SAPP AND JAN THOMAS

Toward the end of November most of the colorful leaves have fallen, flowers have faded and one sometimes sees only the bareness of things. Perhaps that is why we are given a special day to remind us of plentiful harvests, warm family relationships and freedom established many years ago by our forefathers.

Thanksgiving is the day, set aside each year as a reminder that we have much for which to be grateful. It is usually celebrated by attending special church services. Too often it means only a big turkey dinner about which families look forward. Let us hope that families pause to give thanks.

Commemorating Thanksgiving is a custom handed down to us by the Pilgrims. The first Thanksgiving was celebrated in the Plymouth New England Colony in 1621; however, it did not become an official holiday until 1863. In 1941 the last Thursday in November was set aside as the official day for Thanksgiving.

Thanksgiving today is a far cry to Pilgrims and maize, wild turkey, and Indians. This Thanksgiving really took place to give thanks. However, in the hustle and bustle of the day's preparations many people forget the true meaning of Thanksgiving. To some it is just another day, but to all it should not be just one day of the year, as we have so much for which to be grateful every day.

Are You A Good Athlete

Being a good athlete is merely building the muscles. It requires strength of mind character as well. A good athlete can be defeated without warring, he can likewise adapt self to the difficult demands of play. He has what is called manliness.

The school player learns: playing the game means more than just winning it. It means setting your class and schedule every way. It means being a student and a good athlete, the very best athletes, who become captains, are the ones who develop leadership through study.

A healthy spirit of rivalry leads to the game, but this carried too far. It may result in forgetting the spirit of fair play, overtraining and injury.

"Play the game for the and for nothing but the game."

The reputation of the school is at stake. People don't understand how the works will give the team school a bad name. We must of the game and not of our That game is lost in which member of the team sees own glory. The unity of all single cause, each playing his part for the general end, condition without which no is won.

We should be good losers should yield gracefully and fully to the victor who has led to win just as you, I quarreling to weaker men takes a will to play fair, a as a will to win.

The convention will be an all-day affair with registration beginning at 9:30 in the gym lobby. The general session will take place in the gymnasium.

Club members will be the guests of the Morehead D. E. Club at lunch in the school cafeteria. Lunch for these students will be served at 12:10.

Job application and speech contests will be held in the morning session in the school library, band room, and industrial education center. Winners of these contests will go on to compete in state competition and finally national competition.

Congratulations

On September 26, a bundle of joy arrived at the home of Mr. and Mrs. Bob McWaters. The bundle was a nine-pound one-ounce bouncing boy. The student body as well as the faculty are looking forward to seeing David Ray as the football star at Morehead High School in 1975.

Mr. Nassar Elected CTA Veep

At the C.T.A. meeting held in High Point Friday, October 8, Mr. Odell Nassar, head of the Business Department at Morehead, was elected Vice-President of business education.

The principal speaker at this professional assembly was Richard Thomas, foreign correspondent, radio and television news commentator who spoke on "Education Around the World."

Dealing in length with the strides made by Russia, Mr. Thomas stated that promising students are screened and accepted on basis of ability and a keen desire to study. They are paid to go to college. He also pointed out that science and math get major emphasis and they have four times the amount of scientists as the U. S. A.

Russian students are not encouraged nor taught to think for themselves, he observed, but must learn by rule what they want them taught.

Mr. Thomas told his audience that the Soviets pay a public school teacher 10 times as much as they do a skilled steel worker, who gets \$50,000 a year.

He did inject in his remarks that North Carolina is getting more for each dollar spent on education than any state in the Union.

Morehead emerged from its new class rating in fine style this year. Under the capable leadership of coaches J. C. Honeycutt, Mott Price, and Bob Wilkes the panthers scrambled through a see-saw season to come out on top as Western 3-A Champions.

Morehead started its new season by shelving its 14 straight victory, the victim being Northwest. Then the bubble burst as the panthers lost a heartbreaker to a strong Martinsville club. More was to come as the panthers suffered a crushing defeat at the hands of the Blue Comets from Asheboro. Although the boys had now lost 2 games we never doubted them, and our faith was justified as they settled down and played like the defending champs they were. Morehead wound up regular season play with an 8-2 record and entered the state playoffs.

In the first round of playoffs Morehead defeated the Mountaineers from Waynesville 13-12 to advance to the championship playoffs, and although the Panthers were beaten by a speedy Rockingham team, they will always be "our" champs.

Daphne Fair, President of Student Council, welcomes visitors and introduces speakers.

John M. Morehead dedicates new seats before a capacity crowd.

Dr. William Friday, President of the University of North Carolina, paid a glowing tribute to Mr. John Motley Morehead for his contributions especially to the University and for the example which he himself has set.

Pictured above are the seats which Mr. Morehead gave to our school.

Basketball

Front row: R. Hatcher, G. Ogburn, D. Hall, D. Marlowe, C. Rodgers. *Standing:* B. Gilley, B. J. Fuller, K. Land, E. Hunt, D. Wall, and B. Brammer.

The Morehead Black Panthers finished the Basketball Season with a 3-16 record. Although the boys fought hard, played well, and had many close games, the final bell found them racking up more losses than wins. With a rekindling of the old Black Panther spirit and will to win, we hope that future seasons will find our team back on top.

Girls' Squad

Front: C. Duckett, P. Burks, A. Wright, C. Ritchie, A. M. Gibson, D. Fair. *Standing:* L. M. Jeffries, M. Murphy, M. Arnall, B. Young, T. Tulloch, S. Robertson, M. L. Hawkins, A. Sugg.

The girls' basketball team deserves much recognition for their efforts this season. Because of the elimination of girls' teams throughout this district, it was extremely difficult for them to schedule games with the remaining teams. However, they managed to play games. Although the season has not been a good one for them, they kept on, striving to do their best, and keep up the spirit of a winning team.

Junior Varsity

Front: F. Silver, T. Ogburn, J. Sherwood. Standing: E. Hunt, R. Hatcher, B. Gilley, D. Hall.
